

## Money and Coinage in the Middle Ages

Editor: Rory Naismith

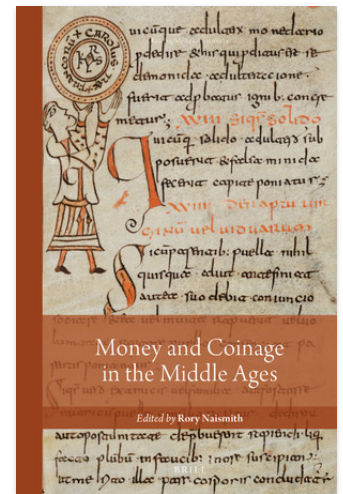

*Reading Medieval Sources* is an exciting new series which leads scholars and students into some of the most challenging and rewarding sources from the European Middle Ages, and introduces the most important approaches to understanding them. Written by an international team of twelve leading scholars, this volume *Money and Coinage in the Middle Ages* presents a set of fresh and insightful perspectives that demonstrate the rich potential of this source material to all scholars of medieval history and culture. It includes coverage of major developments in monetary history, set into their economic and political context, as well as innovative and interdisciplinary perspectives that address money and coinage in relation to archaeology, anthropology and medieval literature.

Contributors are Nanouschka Myrberg Burström, Elizabeth Edwards, Gaspar Feliu, Anna Gannon, Richard Kelleher, Bill Maurer, Nick Mayhew, Rory Naismith, Philipp Robinson Rössner, Alessia Rovelli, Lucia Travaini, and Andrew Woods.

### Readership
